California Rose Creamery Butter

Delivered On Ice

No matter how good butter is when it leaves any store, its quality is seriously impaired if it becomes soft. Good butter often gets a bad name for just that reason.

Our California Rose Creamery Butter is the best in the market. To insure its arrival in perfect condition we have special ice boxes in our wagons which keep it frozen hard.

It will reach you in perfect condition.

A Timely Suggestion.—This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. Sold by all dealers, Benson, Smith & Co., agents for Hawaii.

Then, the descriptions by secretary Stevens are as graphic and delightful word pictures as were ever given to the public. The estimation in which these Portfolios are held is evidenced by the fact that the representatives of Japan have purchase over 2,200 of the Albums. Get the entire series.
